

## GOLF- & SKI-HOTEL RASMUSHOF KITZBÜHEL

### THE Congress and Seminar Hotel in Kitzbühel

The Rasmushof is the place to hold congresses, seminars, special occasions etc in Kitzbühel. The hotel has an idyllic location at the foot of the legendary Streif downhill course, surrounded by its own 9-hole golf course and yet only 5 minutes from the centre of Kitzbühel.

Our brand new Hermann-Reisch-Hall and the multifunctional “Salett ‘1” are purpose-built to hold conferences or any kind of social event.

The best of both worlds: perfect organisation inside and magnificent mountain scenery outside.
